Karen: I think this guy is setting you up -- maybe you should cut it short tonight?
me: what?
Karen: the guy in your chat
Karen: maybe pretend to answer your phone, say "OK" like you're leaving, then turn it off?
Karen: You don't see a naked guy in the screen next to you?
Karen: astromachia
me: he's not naked
me: log off the fucking thing
Karen: Looks like he has on a false beard?
me: NO SHIT
me: I know who he is
Karen: Who?
Karen: jeez, thanks a lot
Karen: don't forget to turn on the debate at 8
Karen: love you -
